ASHLEY & AUBREY

Ashley wants to pledge Aubrey's sorority. She's willing to do anything. Like having sex in private, but this time you can watch. It's not that they're embarrassed, they're not. It's just that Ashley is a little inhibited. They would probably do nastier things without the cameras on. So, you'll just have to use your imagination.

UNLEASHING YOUR HIDDEN SEXUALITY

Tips on freeing the beast in everybody

Who hasn't seen this situation portrayed in a cartoon? Out of one door steps a suave, macho stud arm-in-arm with the world's most unattractive woman. From the other exit comes a short, balding, bespectacled 97-pound weakling whose attentive companion is the breathtaking Miss Universe winner.

Not only in cartoons but in real life too, it sometimes seems that men we think of as "losers" have a way of attracting the hottest babes. And seeing such a guy, people usually jump to one or two conclusions about him: either he's dough or that he's packing a penis so long it drags on the ground.

But those explanations aren't necessarily the right ones. Our scrawny conqueror of prime pussy might be as poverty-stricken as you and I, and may dangle a dick as tiny as your thumbnail. The one thing he's probably got going for him that we lack is a sense of his own sexuality.

Like charisma, sexuality is a quality that defies definition. We all have it. You probably realize that instinctively or you wouldn't be reading this. In many guys, though, it seems to remain dormant, a buried treasure waiting to be found. If we could only locate the key to freeing that caged tiger within us, our sex lives would improve immeasurably. And that's the purpose of this article: to help you open the door to the hidden erotic charisma within yourself.

"In some ways I feel like I wasted about five years of great sex," says Wayne. "I don't mean I wasn't getting

They sneaked away from the party together and she was eagerly leading him to her bed.

laid enough. I just couldn't seem to attract the women I really wanted. And when I did bang a chick, I didn't get as much pleasure as possible out of it because I wasn't putting everything into it. Now that I've opened up, not only do I have more fun, but it also seems to set the wild beast loose in my partners!"

The first step to realizing your hidden sexual potential is to take a cold, hard, critical look at yourself to discover your best, most attractive features. Forget the shortcomings. There's no place for negative thinking in this quest for your personal tiger-hood. Dwelling on what society considers "imperfections"—shortness, baldness, fatness, skinniness, or a host of other so-called "problems"—will only magnify them in our minds. They're downers, and what you want now is good, solid uppers, an accent on the positive.

The point is that you must stop ignoring the good things you've got going for you and start using them to your advantage. The more you play them up and show them off, the more confidence you gain in yourself. And confidence is the key quality you need to set that hidden sexuality loose from the cage when it's been hiding.

Besides self-confidence and playing up your best features, another important aspect to unleashing your hidden sexuality is a willingness to take risks. "Dare to be great!" a self-improvement huckster used to say, and he couldn't have been more right. Most super people, including great lovers, are those who've been willing to occasionally throw caution to the wind, take risks, and let their true feelings show.

The movies always make the process seem so simple; usually depicting the transformation of a woman whose sexuality has been repressed. A mousy, librarian-type is instantly turned into an erotic goddess by simply removing her glasses, letting her long hair down and outfitting her with a plunging neckline. It's a hell of a lot tougher than that in real life, though, especially for a guy who doesn't have access to the

outward advantages of makeup, padded bras and miniskirts to manifest his newfound sexuality to the world. But the power's in there—inside you. And you can see some of it by looking in the mirror.

Have you got steel-blue eyes, for example? You may have been wasting their potential.' Try arching one eyebrow and looking at yourself with a sidelong glance. Imagine the kind of hypnotic power those eyes could have over women.

Would a beard play up your strong, masculine mouth? Then, for sex sake, try growing one. Are you blessed with a beefy pair of square, tight buns and a heavy set of balls? Then why haven't you started wearing tighter pants to show them off?

A friend once told me of a time in his life when he suffered through an agonizing case of the hots for his best friend's girl. She was all his wet dreams wrapped up in one, and he'd almost lose his mind with burning lust every time he looked at her. But she gave the image of being a totally faithful mate and never even responded with a wink to his passionate ogling, his flirtatious leers or his suggestive jokes.

One evening at a party at their apartment he'd had one too many and, without even thinking about what he was saying, he leaned over and blurted in her ear, "God, I'd love to fuck you!" A few minutes later, they sneaked away from the party together and she was eagerly leading him to her bed. Had he shown the daring courage to speak out earlier, he could have spared himself those months of agony and been enjoying the pussy of his dreams.

How does being daring help release your hidden sexuality? By knocking down one set of barriers inside ourselves, others start to collapse around them. Try being more outspoken about any subject, letting your emotions and secret thoughts show. It then becomes much easier to let that tiger of sexuality out of its cage. And once that starts to happen and you see how it also releases the untamed animal in your partner, it is a relatively simple task to chop away the last remaining barricades, and let yourself slide completely into the world of maxi-

One of her bosses had been chasing after her pussy for months – fondling her ass on the elevator...

mum pleasure.

"The thing that kept my sexual side repressed was jealousy," recalls Michael. "From the time Jennifer and I started living together, I grew increasingly jealous and suspicious of other guys in her life.

"I never said anything about it because I was afraid it would make her angry. So instead, I bottled it up and let it affect our sex life. I was always holding back just enough to keep control of the situation. Any moment I expected to catch Jennifer off her guard, inadvertently calling out the name of a guy at work while she was coming or slipping up with a remark that revealed she was still seeing one of her old boyfriends.

"Jennifer could sense that I wasn't giving her everything when we fucked, so she acted guarded with me too. It was like I was saying to her, 'I'll be damned if I'll show you how turned on you get me because that would make me vulnerable.' Meanwhile, she was saying, 'If you are not going to let yourself go all the way, then I'm not going to respond all the way either.'

"While this was going down, our sex was okay, but it was far less than it should have been. Jennifer would bite on her lip and swallow her screams when she came. I always took tops when we fucked, and when I had an orgasm, it was like I was giving her a 'gift.'

"The one thing I didn't dare to try for a long time was asking Jennifer straight up about the suspicions I harbored. Instead, I just kept letting my jealousy grow until I could hardly stand it. What finally brought the whole thing out was my finding a note in Jennifer's open briefcase, an obscene note in some guy's handwriting intimately praising her body and begging her to spend the afternoon at a motel with him.

"Boiling anger replaced the courage I'd been lacking, and I confronted her. It turned out to be the best thing I ever did. Yes, she admitted, when she saw how insanely jealous I was. One of her bosses had been chasing after her pussy for months—fondling her ass on the elevator, squeezing her tits at the office Christ-

mas party, inviting her as his private secretary to distant conventions and now, writing her lewd notes. After resisting all his other passes, she'd brought the note home to show me and get my advice about what to do next.

"The intricate web of jealousy I'd created in my own mind started to fall apart. I asked Jennifer questions about him and about other guys, things that had been troubling me for months. She answered them all straightforwardly and made it obvious she wasn't hiding anything.

"For a while I felt like a jealous fool, but Jennifer's cheerful, understanding smile snapped me out of that. The only thing she gave me a hard time about was not having had the guts to ask her long before it became such a problem between us.

"In fact, when we got to having sex that night, Jennifer's revelations added more thrills to it. 'What do you think your boss would do if he had you alone like this?' I asked playfully. 'I know exactly what he'd do!' she said. Pulling her skirt up, she thrust out the gleaming seat of her pantyhose and started feverishly feeling it, slapping her cheeks and sticking her finger up her ass. Then he'd do this!' she cried, tearing her blouse open and pulling at the tops of her nipples until they were rigidly erect.

"As Jennifer acted out the horny moves her lascivious boss would make, I kept getting more and more excited. It was like an aphrodisiac, knowing I could fulfill another guy's hard-on fantasies. And it helped drive all the old repressions and erotic roadblocks out of my head. I was suddenly an unchained tiger.

"Rushing across the room with an animal yell, I tossed Jennifer over my shoulder and ran with her to the bed. As she kicked and screamed with delight, I stripped her nude and let her take tops for the first time in months. I'd never fucked her so hard or so long as I did that night. She seemed to have dozens of orgasms and I shot my jizz four different times.

Hidden sexuality? Man, my tiger came out of his cage to stay that night!"

MY PUSSY'S GETTING A WORKOUT 877-995-5465 MUST BE 18 TO CALL

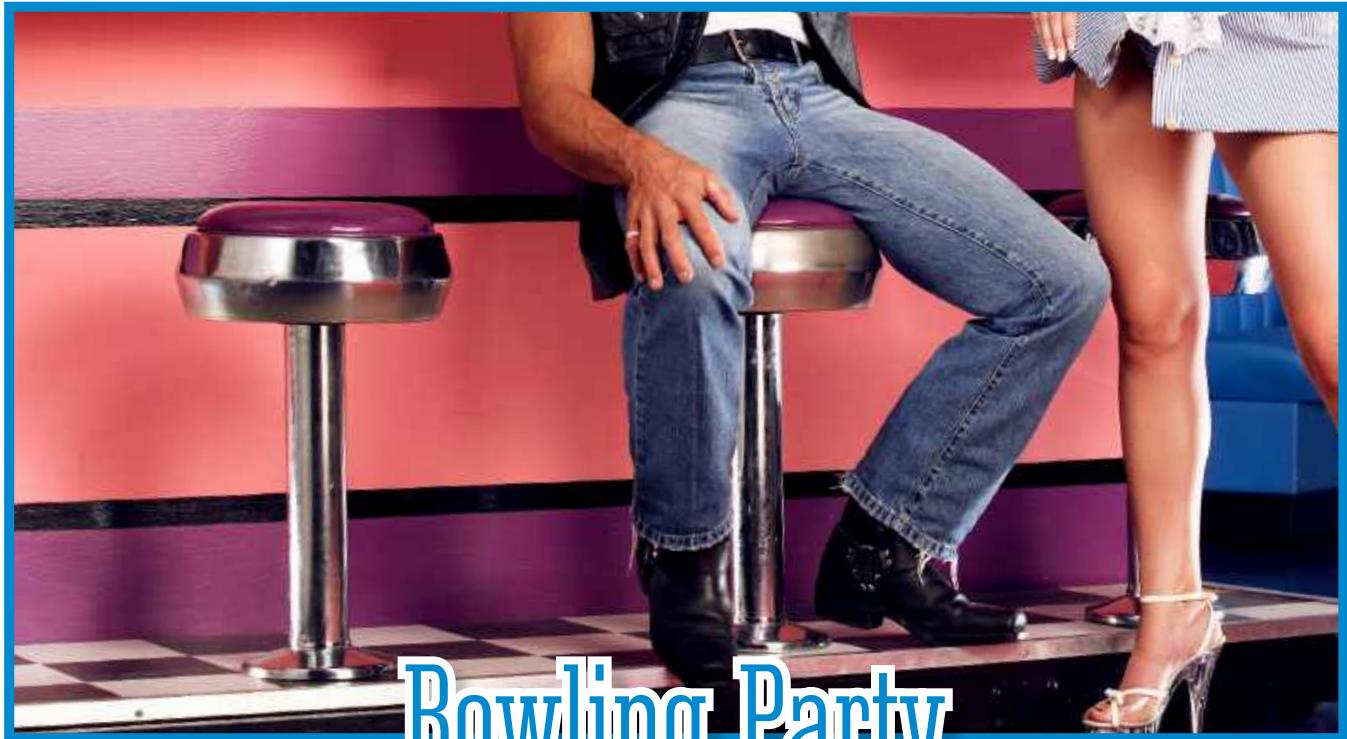

The team that bowls together gets into foursomes together

Bowling-Party

Every guy I meet wants to get in my pants. And so most of them do.

Each time that happens, I swear it will be the last time. But it keeps on happening. Take tonight, for instance. I bowled in my usual Tuesday-night league (it's a mixed league). My partner is Jeff, a kid no older than 18 (I'm 23, pretty but nothing special); the other couple, Joe and Lexi, are also in their early twenties.

Jeff is no problem. I don't think he's discovered girls yet. But Joe is another story. He can't keep his eyes off me. But his leering turns me on. Maybe that's part of my problem.

Anyway, until tonight all Joe had ever done was look. I'll admit that part of the blame is mine. It was a hot night. My outfit was very skimpy. I wore only a halter and tight shorts, no underwear. I thought Joe's eyes would pop out of his head when I bent over to pick up my ball for the first frame. By the second frame he had an obvious erection. Lexi seemed not to notice, but I couldn't take my eyes off it.

Joe is a 180 bowler, but he barely broke 100 that first game. The only split on his mind was mine. It was as though his eyes could see through the thin fabric that clung so tightly to my swollen lips. I wanted desperately to put my hand between my legs and relieve the mounting pressure in my quivering pussy. But I did not dare with so many people around.

My throat was dry, so I headed over to the snack bar between frames for a Coke. I didn't notice Joe behind me until I felt his erect cock pressed into the crack of my ass. It was

fantastic. My knees turned to jelly. He kept flexing that huge love muscle. We chatted as though everything was perfectly normal.

Joe and I bowled even worse that second game. Luckily Lexi and the kid were hot. They ignored us and cheered each other on to strike after strike. Joe sat directly behind his wife and managed to touch my leg, brushing my stiffening nipples more times than I could count.

I wanted Joe, and with his wife there it seemed impossible. But we got lucky. The kid and Lexi were doing so well that they wanted to stay after the regular league and bowl in a tournament for money.

Since Jeff usually gives me a ride home, I was stranded. Joe offered to drive me home while the others bowled. I think she was glad he was leaving. Joe makes her nervous when she's bowling good.

I was so happy, I wanted to scream. I managed to keep my excitement from showing but it wasn't easy. Joe assured his wife that he'd be right back and we left.

Once in the car, Joe surprised me. Instead of jumping my bones like I wanted him too, he was the perfect gentleman. I was ready to climb the walls with frustration.

I noticed that his prick was still half hard, so I knew I had a chance. But he was like a frightened rabbit. I'll bet Lexi was the first—and only—woman he'd ever had. I had to go slowly and resist the urge to yank his cock from his pants and suck him dry.

I managed to slide closer to him and rest my hand on

his leg as we drove. He seemed very uncomfortable. Beads of sweat appeared on his upper lip. "Can I touch it?" I whispered, my hand creeping nearer and nearer to his tempting prick. "It's only fair," I teased. "I gave it to you, didn't I?"

He nodded, but didn't speak. Very gently, I laid my hand on his swollen member. It jumped at my touch. "I never—" he stammered.

"Sshh," I whispered, nibbling his ear and teasing his neck with my tongue. "It's OK. Relax and enjoy." Joe was the first man that I've ever seduced. My pussy was dripping

So, there we were driving down the road: Me with my hand around his hot prick, stroking him to orgasm; him with his hands clenched on the wheel, gritting his teeth. "Don't you want to touch me too?" I offered. It was pure inspiration. His eyes lit up. His mouth fell open. I thought the man was going to have a seizure.

"Can I?" he asked incredulously.

"I'd love it," I whispered, as I took one of his hands and put it between my open legs. Very timidly, he began stroking his finger up and down my groove. I could feel the heat

with anticipation as I continued to tease him.

The car swerved out of our lane as I pulled down his zipper. He regained control quickly. I didn't miss a beat, either. My hands worked through the folds of his shorts and finally managed to expose his prick to the damp night air.

"Please," Joe gasped. But I knew he wanted it as badly as I did; he had a screaming, king-sized hard-on. My hand barely reached around the shaft and a good four inches peeked above the top of my fist. Joe was a bull. Now, I knew why Lexi smiled all the time. I had to resist the urge to yank his cock from his pants and suck him dry.

Still, we had a problem. There was no way for me to get what I wanted with Joe driving. I sensed that if he got to my house before I got what I wanted, he would drop me off and run like hell! My mind raced as my mouth watered for a taste. I had to have that cock. My pussy ached for it.

So, there we were driving down the road: Me with my hand around his hot prick, stroking him to orgasm; him with his hands clenched on the wheel...

of his hands even through the material of my shorts. His hand on my clitty felt great but it wasn't enough. I wanted more than stroking; I wanted that cock inside of my hungry pussy.

Joe surprised me when he suggested we stop at one of those all-night burger joints. I wasn't hungry, but it seemed like a good chance to get him alone with no driving to distract him.

Joe laughed when I teased him about flashing the young waitress. He was harder than ever; it was getting to him too. I leaned over and kissed the tip of his enormous cock; the pre-cum was so sweet and so warm.

Joe wanted to cover his exposed prick when he saw the girl coming with our order. But I held on tightly and covered it with my hand. Joe blushed, beet red, as the young girl gave us a knowing wink. She couldn't see his dick, but she knew what I was doing. Having someone else watch had me ready

to come in my panties.

The place was pretty well deserted, but still I couldn't get him to relax and enjoy. His neck was busy, constantly scanning for someone who might see us. My pussy ached for relief. But I was beginning to think it was impossible. Joe was just too nervous, too uptight. So we left the joint and headed to his car.

I was desperate. The subtle approach wasn't working. As a last-ditch effort, I lifted my hips off the seat and pulled my shorts to my ankles. Poor Joe; his eyes nearly popped out of his head. He grunted as he dove face-first into my open gash. I held his head between my legs and smiled, as I guided his tick-

of the place. We sped down the highway, him driving like a madman. The tires squealed as we pulled into his driveway. He's going to fuck me, fuck me in his own bed, were the only thoughts in my head.

Boy was I wrong. There was already a car in the driveway. It was Jeff's car. When our lights hit the back window, two heads popped up over the back seat. It was Lexi and the boy. I couldn't believe it. They were making out in the back seat of the Jeff's car.

I looked over at Joe. He was pale. His cock was limp in my hand. He jumped out of the car, and raced over and jerked open the door of the other car.

I slipped back into my shorts and followed him as quickly as

The car rocked like crazy, the windows steamed up, but Joe no longer cared. He was eating my pussy like a starving man. He made me come...

ling tongue and humped my ass against him.

The car rocked like crazy, the windows steamed up, but Joe no longer cared. He was eating my pussy like a starving man. He made me come two, three, four—I don't know how many times—before he came up for air. There was a satisfied smile on his wet face.

"I'm sorry," he whispered. "I've never..."

"Lexi will never know," I assured him. "It isn't your fault. I want it too," I admitted. "I want more. I want you inside of me." I gasped as I squeezed his ready pole.

He started the car, put it in gear and quickly backed out

possible. Joe stood there with the door open, a dumb look on his face. Lexi was naked and so was the boy. She was still straddling his lap, his cock deep in her cunt.

"I guess the boy finally discovered girls," was the only thing I could say. Joe cracked up. So did Lexi and the boy.

After that, we all went into the house for a drink and a night like you wouldn't believe. I didn't know four people could do it in so many ways, and so many times.

We still bowl together. But now we don't care whether we win or lose. Either way, we always have a big party afterward.
